**H.E. MOMINUR RAHMAN,
AMBASSADOR OF THE PEOPLE'S REPUBLIC OF BANGLADESH TO THE
KINGDOM OF BAHRAIN**

Subject: Participating in the 9th International Youth Conference

It is with great pleasure that we extend our sincerest gratitude to your Excellency for your continuous support and cooperation in attaining success and prosperity throughout our various endeavors.

We are pleased to announce, to your Excellency, that the Ministry of Youth and Sport Affairs is currently in the process of preparing for the upcoming 9th International Youth Conference. This conference is held annually under the patronage of His Highness Sheikh Nasser Bin Hamad Al Khalifa, His Majesty the King's Representative for Charity and Youth Affairs, Chairman of the Supreme Council for Youth and Sports and President of the Bahrain Olympic Committee. This year's conference will host a group of young individuals from various countries around the world, with a uniting theme which seeks to address the United Nations Sustainable Development Goals.

We would like to seek the assistance of your Excellency in circulating this brief to the respective entities related to the Youth in Bangladesh and we look forward to their potential participation in this conference. As outlined in the attached framework, we are enthusiastic about the profound impact, benefit and enrichment this project will have on the youth. We look forward to continuing to promote and improve the status of the youth globally, and appreciate your assistance in doing so.

Yours Sincerely,

**Hisham bin Mohammed Al Jowder
Minister of Youth and Sports Affairs**

International Youth Conference - Bahrain 2017

Under the patronage of His Highness Shaikh Nasser Bin Hamad Al Khalifa, His Majesty the King's Representative for Charity and Youth Affairs, Chairman of the Supreme Council for Youth and Sports and President of the Bahrain Olympic Committee, the International Youth Conference is held every year to embrace an elite group of the world's youth in the Kingdom of Bahrain.

The 9th Annual International Youth Conference falls under the theme of "Give Back". Give Back is part of an effort spearheaded by the Kingdom of Bahrain, represented by the Ministry of Youth and Sport Affairs to embrace the youth in Bahrain and globally.

The selected theme seeks to address the United Nations Sustainable Development Goals (SDGs). These goals are an integral driving force in society and should be used as a tool to encourage the youth to strive to achieve them now without compromising the ability of future generations to meet their needs and, in turn, develop the economy of the Kingdom of Bahrain.

The Ministry of Youth and Sport Affairs believes in the power of investing in our youth. The youth currently represent a large part of society and have countless achievements in various fields, this conference will highlight the most important Arab and International issues. The conference will provide a platform for the youth to meet and exchange experiences amongst themselves in order to achieve the goals and work towards a better world free of poverty, hunger and one that ensures equality for all. The conference will host an array of activities, which will include discussions, seminars and workshops.

Objectives of the Conference

1. Educate the youth on the Sustainable Development Goals of the United Nations (SDGs).
2. Strengthen the culture of giving in the youth to meet the direct needs of society without compromising future generations' resources.
3. Encourage the youth to start businesses, contribute to the economy and achieve the goals of sustainable development in the country.
4. Attract international expertise and key figures in various fields.

Who can participate?

All youth, between the ages of 18-30 years, both male and female, are encouraged to participate in the conference.

Selected Topics

This year, the Sustainable Development Goals (SDGs), set by the United Nations, have been selected as an inspiration for the topics of the 9th International Youth Conference. The following is a description of these topics.

Climate Action

The topic of Climate Action will be a focus of this conference, as it addresses pertinent topics related to the environmental risks that threaten the sustainability of natural resources, and the difficulty in renewing these resources after they have been irresponsibly misused. In addition, the consequences of this misuse will be outlined as well as the severe ramifications it has on future generations.

Clean Water and Sanitation

The most distinguished inventions in the field of sustainable development, specifically those ensuring access to clean drinking water and other related topics, will be discussed in the conference. In addition, topics such as achieving food security and investing in sustainable agriculture will be highlighted.

Responsible Consumption and Production

Prominent global brands and international organizations that have played an active role in preserving the environment and stressed its importance will be covered. These organizations have attained great success through the optimal use of renewable resources and their belief in community partnership to improve communities.

Life on Land

This topic will be led by public figures known across the world, whether on television or through social media, by sharing their interests in issues pertaining to wildlife, especially those that call for reducing the indiscriminate hunting of some rare and endangered animals. Awareness campaigns will be highlighted to draw attention to the severity of the issue and the important of preserving this natural wealth.

Life Below Water

Sea Life will reveal the deep secrets and hidden treasures of the underworld. A group of prominent international photographers who have dedicated their lives to uncovering underwater mysteries will

be participating at the conference. These photographers will share images, transfer their experiences through their footage and reveal the greatest threats to the sea.

Affordable and Clean Energy

Alternative energy issues and the need to work on the development of green fields and renewable energy sources will be a focus of this conference. This conference will highlight the importance of developing effective solutions for industrial energy.

Industry, Innovation and Infrastructure

This topic covers the fundamentals of environment-friendly industries which provide the infrastructure that corresponds to the Sustainable Development Goals (SDGs) in addition to highlighting the role of transportation and technology in supporting these goals.

Terms for Participating in the Conference

- Each country or entity may have up to four representatives, of both genders.
- The conference targets youth between the ages of 18-30 years.
- Youth hostels, meals, transportation and visas for participants are included and will be provided by the Conference Organizing Committee, while the participating country or entity is required to secure airline tickets for their delegation.
- Participants are required to send a copy of their passports to issue an entry visa.
- The participant's name as it appears on their passport or identity card will be used in the conference unless otherwise stated.
- Discounted rates and offers will be provided for those wishing to stay in hotels, or for countries that wish to exceed the number of suggested participants.
- Participants will be provided with the hotel rates three weeks prior to the event.
- Participants are required to wear traditional clothes, which represent their countries, for the opening ceremony.
- Participants should become familiar with the Sustainable Development Goals (SDGs) of the United Nations, and other related issues.
- The conference sessions will be conducted in both Arabic and English, with interpretation service provided.
- Participants will be provided with a detailed conference program two weeks prior to the event.
- The conference will run for six days, including the arrival and departure days. The arrival of the delegations to the Kingdom of Bahrain will be on 23/April/ 2017 and departure on 28/April/ 2017.

The conference will host an array of activities, which will include discussions, seminars and workshops. The 2017 International Youth Conference will be building on the success of previous conferences, specifically that of 2008. This conference re-emphasizes the Kingdom of Bahrain's commitment to the future of our youth. The Ministry of Youth and Sport Affairs is proud of its ability to unite major key players under one roof under the sole objective of creating a successful and productive generation of youth.

Conference in Past Years

The Kingdom of Bahrain has strived to be a leader in all topics concerning youth and sports, and in continually providing the best for the youth in a variety of fields. The youth population makes up the pillars of societal development and progress. By providing the youth with tools, programs and incentives, they can utilize them in serving the community and their country, thus, leading to success. With the selection of the conference theme and topics, a scientific committee is specialized in selecting the keynote speakers, based on their influence in society and position as role models to the youth. Once this list is approved by subject matter experts, a list of tentative workshops will be established. The Ministry of Youth and Sport Affairs was able to establish a strong foundation on which it can build the success of this conference year after year. These conferences have been able to attract famous and noteworthy speakers, authors, and publicists actively participating in topics pertinent to the youth and global issues.

Opening Ceremony Preparations

The Ministry of Youth and Sport Affairs takes pride and much responsibility in planning and implementing details of the opening ceremony for the International Youth Conference. Attention to detail is an integral aspect of this preparation in order to minimize and avoid any errors that may be caused due to lack of time or decisions that are made in moments of urgency. Therefore, the Ministry has prepared a clear vision, timeline and procedural structure to effectively and efficiently manage the opening ceremony. These tools are set in place to ensure the smooth and successful running of the event. Much appreciation and gratitude is in order to the team for their ongoing commitment to implementing the ideas and goals of the International Youth Conference.

الملك: دور الشباب هو دور القيادة التحويلية السريعة واللامتناهية النطاق

تعد مشاركة الشباب في المؤتمر العالمي للشباب في قطر، من أهم المناسبات التي تعكس الاهتمام العالمي بالشباب، والاعتماد على قدراتهم في مواجهة التحديات العالمية. وقد أكد الملك حمد بن عيسى آل خليفة، أمير قطر، خلال كلمته الافتتاحية، على دور الشباب في قيادة التغيير الإيجابي، وتحقيق التنمية المستدامة، والابتكار في مختلف المجالات. وأضاف أن الشباب هم الركيزة الأساسية لأي مجتمع، ويجب توفير البيئة المناسبة لهم للتعبير عن آرائهم، والمشاركة في صنع القرار. كما دعا إلى تعزيز التعاون الدولي بين الشباب، وتبادل الخبرات، لمواجهة التحديات المشتركة، وتحقيق أهداف التنمية المستدامة بحلول عام 2030.

في سياق متصل، أكد وزير الشباب والرياضة، خالد بن محمد الكواري، على أهمية المؤتمر في تعزيز الحوار بين الثقافات، وبناء جسور التفاهل بين الشعوب. وأضاف أن قطر، من خلال استضافة هذا المؤتمر، تسعى إلى تعزيز مكانتها كإحدى المراكز العالمية للشباب، وتوفير منصة للتعبير عن آرائهم، والمشاركة في صنع القرار.

ويذكر أن المؤتمر، الذي استمر لمدة يومين، شارك فيه ممثلون من أكثر من 100 دولة، تناولوا مجموعة من الموضوعات الهامة، مثل: التعليم، والتوظيف، والصحة، والبيئة، والتكنولوجيا، وغيرها. وقد شهدت جلسات المؤتمر، مشاركة واسعة من الشباب، الذين أبدوا اهتمامهم الكبير بالمواضيع المطروحة، وشاركوا بنشاط في النقاشات، وورش العمل، والندوات.
